## ConnecT1D® Family Camp

Our weekend camp is for families with children of all ages. Teens and young adults serve as counselors and mentors, and kids age 12 and under participate as campers. The agenda for adults includes formal presentations from renowned experts and small group discussions to facilitate community building and provide tools to manage life with Type 1 Diabetes.

In past years, topics for parents have included:

- Managing T1D in schools
- Research updates from leading scientists and institutions
- Advocacy updates
- Dealing with the emotional impact of chronic illness on kids and families
- Sports and T1D
- Up-close opportunities to see the latest technology, devices and management tools to manage T1D

The kids' agenda is simple: have fun and make friends at a place where T1D is the rule, not the exception!

ConnecT1D Family Camp proudly accommodates all families and volunteers with celiac disease.

## What People Say

*"Before Camp we hadn't met anyone else with Type 1 Diabetes. We felt alone."*

*"An incredible weekend with my fellow T1D families - we were welcomed immediately by this new community of brave, soulful and hilarious people."*

*"I cannot say in words how transformed and empowered I feel. It was awesome."*

*"The only downfall was how devastated my daughter was to leave...with the help and encouragement of camp buddies, she tested herself for the first time this weekend!"*

## Registration and Cost

We all know the financial impact of Type 1 Diabetes, and do not want anyone to be unable to attend due to finances. We are listing the actual expense alongside what we are asking families to pay, so that those who can cover the cost have that option. It is our joy to continue to support our community by hosting and sponsoring this event, and we are looking forward to seeing you this year!

Registration for camp includes:

- Two nights' lodging in a private room with a private bathroom. All linens and bedding provided.
- Five meals and snacks throughout the event.
- Program materials and t-shirts for all kids.

	Subsidized Rate	Actual Cost
Adult	\$100	\$340
Child (age 4-12)	\$80	\$165
Child (age 0-4)	\$0	\$125
Volunteer	\$0	\$165

Scholarships are available for families to attend.
